LONE MANGA!

I-Thanks.

Happy birthday  
to you.

"You're a bit too close for comfort; could you give me some room?"

I need Ms. Karm to  
know so I can talk to her  
about the expedition.

How much longer  
will she take...?

Lady Karin, what happened  
to the Dragon and Ryuma?

If the elders  
find out...

Shut up?

This is  
none of your  
concerns.

Get  
out of my  
sight!

YADA!

...Mugi...  
Where is he?

I can't find him.

Who could've caused such widespread damage?

Not to mention, right in the middle of the forest...

Humans.

There's no one else who would.

But why?

We've been hiding our presence this whole time to avoid conflict.

Lady Faria,

Elder Romvu wished to speak to you.

What did you do  
with the Dragon?  
Why are you here?

I could not  
contact the Humans, so  
I believed that something  
bad must happen.

The Dragon is  
under my supervision,  
so do not worry.

But what  
happened here  
is definitely the  
humans' doing!!

We must form  
an investigation  
group and apprehend  
the perpetrators!!

Tsk tsk, you bleed  
about 100 years humans and  
you hope for your own safety?  
How you arrogant of  
your own?

You should be  
thankful that you  
weren't eaten.

Did you expect  
for us not to know  
what you've been  
planning all along?

While they may  
follow you now,

as humans true  
nature will not change.

What the one  
cares for her to choose  
she will definitely side  
with the humans.

The position of the  
Regent must be filled by one  
the king consider what  
return to your position

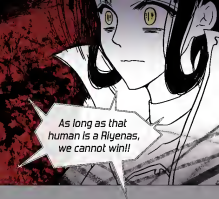

But I dare I  
cannot find Mugi  
or his artifact.

If the humans  
managed to  
get their hands  
on him...

You gave them a  
reason to attack when  
you killed Count Stravin,  
did you not?!

*As long as that  
human is a Rlyenas,  
we cannot win!!*

*Once you resume  
the position of the Rlyenas,  
you will have the power to  
solve everything.*

*If you cannot fulfill  
this task, I will revoke your  
rights and send another  
Ari to replace you.*

I will give you one more chance, so fulfill your duties properly.

LONE MANGA!

you insignificant being.

Bomp

**SHUT UP!!  
YOU STUPID  
ELDERS!!**

The hunters were  
all murdered.

we don't even  
know if Magi is  
still alive or not.

**SO WHO CARES ABOUT  
SOME DRAGON?!!**

TURN

Yes, you were  
reporting my  
every move to  
the Elders.

You followed  
me here so that  
you could return  
to his, correct?

What?  
That's not  
what I got.

I got.

No, I shouldn't  
complain this possibility  
either. I know the Elders  
would've done something  
like this.

It was my  
mistake for not  
noticing this  
earlier.

Regardless, you should  
return to the

When I become the King, I will have the power to solve everything.

Scene 9

No, it's better to figure out  
how to survive on our own.

We must be strong, unlike the weak Alcott.

The Imago are the greatest beings on this planet.

I've always believed that.

And I've done well so far.

So far...

...Call Marnagi and  
Marnarie here...

Lady Karin,  
those two  
are still...

I'll call the other  
Kirin here... as the  
Elders wish.

I'll find Magi.

At this rate,  
I cannot do anything.
